# Student Evaluation of Teaching Results - Fall 2018

Thomas W Mattman,

Enclosed you will find the results of the Fall 2018 Student Evaluation of Teaching (SET) for your course:

3037\_MATH\_120\_07\_01 - Analytic Geometry and Calculus - Discussion

The SET form administered was SETForm\_U.

An overall indicator is listed first. It consists of an average of the following scales:

- Part B

The overall indicator is followed by the individual average values of the scales mentioned above. In the second part of the analysis the average values of all individual questions are listed. Written comments (if any) will follow the individual question analysis.

If you have any further questions do not hesitate to contact the Office of Institutional Research.

#### Comments Report

### 3. Part B

- 3.11) What did your Instructor do to make this class a good learning experience for you?
- Give quizzes
- Having new informations about calculus
- He is a good professor
- He is so great with handling situations with students
- He teaches in a manner that is easy to follow and spends a fair amount of time answering questions.
- He tries to explain problems in different ways.
- He was simple, was very straight forward.
- He went over any problem someone had which made it so we weren't ever confused about a topic.
- The Instructor is very interactive with the students and seems to genuinely care for the success of his students.
- Was always on time and well prepared. He was also always willing to help no matter what.
- 3.12) What could your instructor do in the future to make this a better class?
- Everything is perfect
- Give less homeworks
- Give more easier ways to teach
- Go a bit slower in the notes so we have time to write them down.
- Go a little more slower.
- Have more experience in the future
- He should but extra credit
- Lecture a little more during class.
- More review before the exam.
- N/A
- 3.14) IMPORTANT: Please give at least one reason to justify your rating.
- He covers the homework to check what problems we struggled to do.
- He is a good teacher
- He is really good teacher that knows how to handle his class
- He made the class very easy to understand and helped me after class some days.
- I came in this class struggling trying to catch up and most of the time I couldnt learn in class so I tried to learn things on my own.
- I felt I have more self adopt in this class
- If there was more lecture during class then I would give a higher rating. The overall class is great though, really well prepared and I loved the online videos they really helped.
- Perfect professor
- Professor Mattman is very well qualified to teach this course and he teaches very well. If I need help with anything I can trust that if I need

help and go to office hours, he will help me.
